It was a tight fit between Asmas and Cartridge for the position of first favorite, Tora-ra-boom-de-ay and Smuggler coming next as popular favorites. Omar was strongly fancied, the odds in the part-mutual being slightly over 3 to 1, most danger being feared from Childeric and West Barbary. Buccaneer and Choro led the way for nearly half-a-mile, after which the favorite went to the front, and never afterwards approached, without an effort from Blue Beard, the latter doing his best to keep second place by half a length. Time, 3 min. 15 1/2 sec.

**SECOND DAY, WEDNESDAY, MAY 3RD.**  
The weather to-day was quite summer-like, the sun shining brilliantly, and in consequence the attendance of spectators was larger than has been the case for years past, the ladies especially making a brave show. Owing to the porous nature of the soil and the effects of a powerful sun, the heavy going of yesterday was quickly transformed into a splendid and exceptionally fast course, the times recorded in some of the races being simply phenomenal. The Town Band was again in attendance and added greatly to the afternoon's enjoyment.

Racing commenced with the Chu-ka-za Cup, also ponies sporting silk for this popular half-mile spin, with Mighty a strong favorite from Imperialist and the veteran Holyhook. After an exciting finish, Mr. Sassoon's pair taking the first and second, the effects of the powerful sun, the heavy going of yesterday was quickly transformed into a splendid and exceptionally fast course, the times recorded in some of the races being simply phenomenal. In the wonderful time of 4 min. 21 1/2 sec., thus eclipsing Driving Cloud's 4 min. 22 1/2 sec. in the Exchange Plate at the Hongkong Race Meeting of 1893 and establishing a new record for China. Bovril's grand performance is greatly enhanced by the fact that he carried a 7 lb. penalty. Firefly, with Mr. Hector Sampson in the saddle, was heavily backed for the mile-and-a-half Concordia Cup on the strength of his Jockey Cup victory, and he won hands down from Preceptor, Omar and eight others in 3 min. 15 1/2 sec. A rank outsider, Veau d'Or, had no difficulty under the experienced guidance of Mr. Meyerink in winning the Mongolian Cup for subscription griffins from Pick o' the Basket and Watchman, the favorites, Gesler and Micmac, never showing prominently in the race. The Spring Cup attracted a dozen competitors to the post and provided a most exciting finish between the two favorites, Mr. Sassoon's Snowstorm and Mr. Buxey's Blue Beard, Mr. Baker on the latter getting home by a short head in the very readable time of 3 min. 7 1/2 sec. For the Shanghai Stakes Hero and Zephyr were sent out to represent Mr. Sassoon and were opposed by Mr. Buxey's Torchlight and Islander, Mr. Treban's Majestic and Mr. Broom's Flatcatcher, the last-named a cast-off from the Ewo stable—the mighty skewball having 317 backers in the part-mutual against 52 for the rest of the field. Mr. Dallas secured his customary tactics with Hero, sending him to the fore immediately after getting under way, and he remained there to the finish, lobbing and he winning post (time, 3 min. 13 1/2 sec.) half a dozen lengths in front of Torchlight, with Majestic, who was out of his distance, a bad third. Guiding Star was served up warm for the Taitai's Cup, Merry Thought and Royal being next in demand, but nothing had the ghost of a chance with that grand weight carrier, Mighty, Mr. Sassoon scoring an easy two-length victory on the stalwart brown in 3 min. 8 sec. A large field of fourteen entered for the last event of the day, the Scurry Stakes, in which the peacock blue and gold banner was again in the ascendant, Mr. Sassoon on Blackberry, who was favorite from Congo and Scorch, winning in a canter by three lengths from the outsiders Childeric and Buccaneer. This concluded a grand day's racing, the arrangements being again in every way satisfactory. Details are appended:—

In the part-mutual Holyhook had 170 backers, Osman 64, Sans Pareil 46, and Snowstorm 25. Osman led the way for the first five furlongs, Snowstorm, Sans Pareil and the favorite following in the order named. At the three-quarter starting post Sans Pareil deprived Osman of the lead, and cut out the work to the Monument, where Mr. Dallas brought up Holyhook with a rush and after a brief struggle took premier place, and entered the straight well in front. Mr. Reynell tried hard to get on terms, but it was of no avail, and the Griffins' winner landed home cleverly by two lengths, with Snowstorm a good third. Time 3 min. 16 1/2 sec.

Majestic was backed against the field, Boreas and Tallman of the others having most supporters. Nolmont got best away, but after going a short distance Mr. Sassoon rushed Majestic through his field and soon held a commanding lead, which he maintained until half-way down the straight, where he palpably tired and Tallman, hard ridden by Mr. Hough, got alongside and getting the best of a desperate set to secured the judge's fiat by a short neck. Nolmont was close up. Time, 3 min. 4 1/2 sec.

The peacock blue and gold banner, when Veau d'Or started, passed the Monument, where Veau d'Or took the lead with the race in hand. The paper also advises its readers not to use water cooled with ice, as Chicago ice is very bad.

**SAN BERNARDINO, April 7th.**  
Jesus Fuen, who cut to death his mistress, Francisca Flores, and an old German named Goldfinger, in this city yesterday, will never be tried in a court of justice for the cowardly murder of two helpless people. A crowd of several hundred citizens took the slayer from his cell early this morning and hanged him to a tie in a railroad bridge near town. Fuen never evinced any signs of repentance and died like a stoic.

**OTTAWA (Ont.) April 7th.**  
It is understood that the Government has received by cable from England the sum awarded by the Imperial Government to British Colonies for losses sustained by them by the sailing season of 1891. The indemnity, amounting to about \$100,000, will probably be distributed through the Collector of Customs at Victoria.

**LONDON, April 8th.**  
An attempt this morning on the part of publicans and others to make a demonstration against the proposed law establishing local option and abridging the privileges of the liquor trade resulted in a scene of riot and disorder. It appears that the riot was the result of plans concocted by the temperance party.

The temperance party to the number of some thousands occupied Trafalgar square before the arrival of the liquor party, with the object of frustrating the demonstration. As procession after procession of liquor men appeared with banners the temperance people pointed upon them and the banners were quickly reduced to shreds. Free fights were frequent and the police were kept busy in subduing and arresting the rioters. In a gale of wind the procession was scattered, owing to the groans and howlings of the temperance party.

The temperance party next proceeded to hold forth. The liquorists enraged by the previous attacks on their meeting, became aggressive, and the first temperance speaker was knocked down and somewhat bruised. The temperance people rallied and renewed the attack, carrying all before them and obtaining full control.

The loading of vessels proceeded at Hall today with non-union men under the protection of the Dragoons and a heavy force of police. The strike dock labourers are sullen and threatening, but so far have been deterred by the show of strength from attempting to renew their efforts of yesterday to drive off the non-union men. The situation is grave, as a riot once started might have disastrous consequences before it could be put down.

**WASHINGTON, April 8th.**  
The usual proclamation prohibiting the taking of seals or other fur-bearing animals in Alaska or in the Behring Sea in the month of May was issued by the President Cleveland today.

The Senate has confirmed the following nominations: James B. Eastle, of Louisiana, Ambassador Extraordinary and Plenipotentiary to France; Bartlett Trapp, of South Dakota, Minister to Austria-Hungary; Thomas Critchfield, of Missouri, Consul-General at City of Mexico; Asa D. Dickinson, of New York, Consul at Nottingham; C. S. Hamlin, of Massachusetts, Assistant Secretary of the Treasury; William Edmund Curtis, of New York, Second Assistant Secretary of the Treasury; John B. Brawley, Auditor of the Treasury for the Post Office Department; John M. Reynolds, of Boston, Pa., Assistant Secretary of the Interior; Lawrence Maxwell, Jr., of Ohio, Solicitor-General.

The case of James H. Eckels, of Illinois, nominated to be Controller of the Currency, appears to be indefinitely hung up. Another executive session has been held, and still the nomination remains unreported by the Finance Committee. An executive order is believed to have been issued by the committee to have the nomination recalled, but so far apparently without success.

The President this morning notified the Senate of his desire to raise the rank of James B. Eastle, lately confirmed Minister to France, to that of Ambassador. He also named August Belmont & Co. to be special fiscal agents of the Navy at London, via Belgium Brothers.

**NEW YORK, April 8th.**

**BERLIN, April 8th.**  
At court it is denied that the Chancellor will accompany the Kaiser to Rome, as was originally arranged. His majesty will be accompanied by Von Marschall and Von Kiderlin-Waechter, private counsellor of the Foreign Office. There is no desire in Wilhelmstrasse to give any cause for a rupture with the Vatican, and every measure will be taken to make the visit one of extreme courtesy. Every point of etiquette will be strictly observed in order to show the friendliness of the Kaiser's visit.

**VENNA, April 8th.**  
An anti-Semitic meeting was held last night, at which Deputy Lueger, leader of the anti-Semitic violently denounced the Jews. After the meeting a mob named Sewald attacked Lueger with a knife. **MADRID, April 8th.**  
The Government has discovered an alarming anarchist conspiracy at Xeres, having for its object insurrection. It was supposed that the execution of the four anarchists at Xeres last year had intimidated the remainder. The present movement seems to have been instigated by a desire for revenge for those executions. The Government learned of the rendezvous of the conspirators at a farm house near Xeres, surrounded it and captured the entire band, who were armed with guns and knives, and secured a lot of incriminating documents, showing that it was intended to inaugurate the outbreak today. The prisoners were locked up and the Government will make an example of them.

**PORTLAND, April 8th.**  
Inspector Noyes, who was sent here by the Treasury Department to investigate the alleged illegal traffic in opium and Chinese certificates, has made his report to the department and it may be made public in a few days. In an interview he said that the Government intends to stop the illegal importation of Chinese and opium at Portland, and on Puget Sound. "I was," he said, "sent out here to investigate, and I have found what I came after."
